WELCOME TO THE 2012 SPRING SEASON

Thank you for your support of CLCF Baseball. We're looking forward to building on our tremendously successful 2011 season and reaching greater heights this year in our city-wide youth baseball league.

Here is some information for you as we approach the start of play:

- Teams will hit the fields in early April as weather permits. Players will hear from their managers by mid-March with scheduling information. Our spring season will run through the end of June.
- At the end of our second registration weekend (the weekend of January 13-14), we will review the registration figures carefully and begin the organization of our playing divisions based on age groupings.
- **Save the date:** We'll be holding tryouts for players for the Majors, AAA and AAA-Jr. Divisions on **Saturday March 3 at the Pastore Youth Center** on Gansett Avenue (next to the YMCA and Bain Middle School). Based on the registrations received this month, we'll organize the tryout times. You will receive notification of tryout times by the end of January – well in advance of the March 3 tryout date. Players who will be returning to the same team as last spring will be notified that it will not be necessary to attend the tryout.
- Players in the Instructional and AA Divisions will be assigned to teams without a tryout. We will do our very best to honor all requests.
- All volunteers stepping foot on a field for practices, games or League sponsored events must submit to a BCI check. Please obtain from us and complete a BCI consent form. All information is kept confidential.
- We welcome sponsorship of our teams. As a non-profit organization, we depend on community support of our baseball programs. Sponsorship forms are available request.
- No question is a bad one and all concerns will be considered. You may direct questions or concerns to my attention by calling 419-8756 or e-mailing the League at CLCFBaseball@cox.net.
- The best source for updates will be our Facebook page and website. Please "Like" the League's Facebook page to hear the latest news about CLCF Baseball.

Play Ball,

Steven Richard
CLCF Board Member and Acting Co-Chair of Baseball Division
